The Art History Department cordially invites you to attend a special guest lecture by Professor Eric Palazzo, Université de Poitiers.

Art and Movement in Medieval Art

The lecture will explore several aspects of the conditions of the existence and the activation of "Movement" in Medieval art and liturgy. Based on the analysis of various iconographical traditions and architectural settings, it will demonstrate the central role played by the notion of "Movement" in the conception of art and liturgy and the strategy the medieval artists and theologians have elaborated to make the "Movement" alive.

The lecture will take place on 14.12.2017, from 19:45-18:15, at the University of Tel Aviv, Building 001, Auditorium. Admission is free.
